Project Review(2-3 Oct): OLP-forStudents

Overview:

Currently I did or make successfully design of home page and also make a paid course in my project in that I did online payment in razor pay. In course there is completed percentage so student get to know how much they completed the course and there is a quiz also as per instructor rules for quiz students have to pass it or else it can be fail. Remaining side is Instructor can add them self in my site, header and footer.
